- ✓ We are certified for:
 - Information Security Management System (ISO/IEC 27001:2013)
 - Quality Management System (ISO 9001:2015)

Author Services

Language Editing & Formatting

Enago offers two levels of editing—**Substantive Editing** and **Copy Editing**—to address the broad academic writing and publishing needs of authors. Our editors completely eliminate language and formatting errors in a research manuscript and provide our authors with flawless outcome.

Translation Services

Professional academic and technical translation services help researchers get successfully published in international journals. Special emphasis is laid on each manuscript being translated by a subject matter expert. We offer academic translations in a variety of languages, which includes Japanese, Korean, Chinese, Portuguese, Turkish, Spanish, German, French, and more.

Technology Solutions

Enago provides innovative and cutting-edge technology solutions for publishers to serve their authors better.

Author Education

Enago's author workshops are conducted primarily for those authors for whom English is not the first language. These workshops provide a better understanding of the requirements for successful publication and effective academic writing. Enago's workshops cater to not only early-stage researchers but also graduate students and experienced researchers.

EXPLORE PARTNERSHIP OPPORTUNITIES

Collaboration Model

Co-branding/White Labeling

There are several options through which we can collaborate

- ✓ We create an exclusive co-branded portal for you
- ✓ Back-end editing services are offered via your portal under your brand

Exclusive Recommendation

Publishers can exclusively recommend our services and their authors will get additional discounts. You can recommend our services by

- ✓ Emailing your authors
- ✓ Recommending us through your portal and author guideline pages

Features of Collaboration:

- ✓ Creating a multi-language/regional language-specific web portal
- ✓ Brand definition consistent with the publisher website
- ✓ Localized support (phone, email) along with local payment and invoicing
- ✓ Attractive pricing for authors
- ✓ Assured data security of client details and manuscript
- ✓ Knowledge platform with comprehensive and up-to-date resources related to the publishing industry
